

Alabama Rural Water Association

2019 Membership Directory

Dear Associate Member,

We are in the process of updating your listing information in the 2019 ARWA Membership Directory. We are continuing the category section where associate members can be found by product and/or service. This is to enhance the Directory and to better market your company. Please list up to three categories from the attached Category listing and return to the ARWA to be included in this section **FREE OF CHARGE**. We **must have your signature and selection of categories on this form faxed to the ARWA at 334-396-7090 or emailed to jerenaw@alruralwater.com by 9/28/2018 to be included in this section. You may also complete this form online by visiting www.alruralwater.com.**

Separately from this notice, during the month of August, a Company Representative of MediaEdge Communications will be contacting you regarding your interest in advertising in the publication. We hope you will join other ARWA Associate Members through your participation.
