

WHY CHOOSE US?

Our team works day and night all year long to support the over 500 water and wastewater utilities in the State of Alabama. We have built a solid reputation of trust in the industry and provide a constant presence throughout the State. Being an Associate Member of the Alabama Rural Water Association will provide your group with access to events utilities are interested in participating in, as well as coverage of the State through many marketing opportunities.

PRESENCE

SHARED WITH YOUR COMPANY

As the Primary Support Membership organization for water and wastewater groups in the State of Alabama, it is imperative that the Alabama Rural Water Association work to maintain a positive and constant presence throughout the State. By joining our Association as an Associate Member, your company will get to share in the benefit of all of that constant and hard work.

Use our meticulously cultivated and mature network and platform in Alabama to instantly boost your company's reputation within this space simply by virtue of association.

- ✔ **ANNUAL TECHNICAL TRAINING CONFERENCE**
 Averaging over 1,000 attendees and 140 exhibitors, this conference is one of the biggest of its kind in the Southeastern United States. A large number of utilities in the State are represented at this event. This is **the premier event in Alabama** to get your company noticed.
- ✔ **JOINT CONFERENCE WITH FLORIDA**
 We partner with our neighboring Rural Water Association in order to bring training to the Florida Panhandle and the Alabama Coast. We alternate years hosting this event in Alabama.
- ✔ **DOZENS OF TRAINING EVENTS ANNUALLY**
 Throughout the year, the ARWA hosts dozens of one-day training events offering Continuing Education Hours (CEHs) to water and wastewater professionals in Alabama. We regularly work with Associate Members to fill those agendas!
- ✔ **PRINT AND DIGITAL ADVERTISING**
 The ARWA is constantly producing informational material in both print and digital spaces offering plenty of sponsorship and advertising opportunity for our Associate Members.
- ✔ **EXTENDED AUDIENCE**
 The ARWA's partnerships with numerous State and Federal agencies such as (but not limited to) ADEM, USDA, DOE, ADECA, EPA, OWR, EMA, Homeland Security, DOL, and the Dept. of Agriculture offers a broad spectrum of exposure to any company with an Associate Membership with the ARWA.
