

## Special Services Representative Alabama Rural Water Association

The ARWA has an opening for the position of Special Services Representative. The position will involve problem solving assistance and training for water and wastewater utilities in areas of financial, technical and managerial operations. This will require management experience as well as strong organizational and communication skills. The successful candidate must possess the following qualities and experience in the water and wastewater industry.

- Must have a minimum of 5 years experience working with a water or wastewater utility or other company with direct involvement with utilities and their operation
- Must have experience and a good understanding of successful utility management including all areas of financial, technical or management
- Water and Wastewater Operator Certification is not required but additional consideration will be given to a candidate with a minimum level of Grade II Certification
- Must possess written and oral communication skills
- Must be a fluent computer user, familiar with Excel, Word, PowerPoint and other software programs
- Must be willing to travel the State extensively and must have a valid drivers license. Very limited out of State travel
- Must be capable of public speaking

Great Benefits Program: Includes Association Vehicle, Local Government BC/BS Health Insurance, State of Alabama Retirement, annual and sick leave, cell phone and computer provided and all federal holidays observed.

If interested, please fax or e-mail your resume to ARWA: FAX number (334) 396-7090, e-mail [arwa@alruralwater.com](mailto:arwa@alruralwater.com) or contact Kathy Horne at (334) 396-5511. The position will be filled as soon as possible. The ARWA is an Equal Opportunity Employer.
