

## Alabama Rural Water Association Water Circuit Rider

The Alabama Rural Water Association is seeking to fill a Circuit Rider position. The Circuit Rider is a Field Representative offering technical, management and financial on-site assistance to public water systems within the State of Alabama. Qualifications include:

- 1) At least 5 years experience in working for, operating, maintaining and managing a public water utility.
- 2) Candidate must be a Grade II or higher State of Alabama Certified Water Operator.
- 3) Candidate must be willing to travel the State extensively. Overnight travel is a requirement. Minimum out of State travel.
- 4) Candidate must possess a valid State of Alabama Driver's license and must be insurable by the Association's automobile insurance.
- 5) Candidate must be willing to be drug tested prior to employment and periodically upon request of ARWA management.
- 6) Must possess extensive knowledge of water utility operations, maintenance and management.
- 7) Must be able to communicate effectively, both written and orally.
- 8) Benefits include, Local Government Health Insurance BC/BS, State Employee Retirement, sick and annual leave, federal holidays, accidental death and dismemberment insurance, company vehicle, company phone, plus.

Salary is negotiable upon experience. Please send your resume to ARWA, 2576 Bell Road, Montgomery, AL 36117, fax (334) 396-7090 or e-mail – [arwa@alruralwater.com](mailto:arwa@alruralwater.com). The position will be filled as soon as possible.
